Cutting-edge apps make travel simpler & put clients in control. Reduced costs, low annual dues, flexibility, & hourly pricing on a range of light to super mid-sized jets are just some of the membership privileges. Plus, Wheels Down offers an exclusive on-the-ground concierge & events service.

Oil Nut Bay - Villas & Estates

Oil Nut Bay is located in a tranquil bay lined by a natural coral reef on the North Sound of Virgin Gorda in the B.V.I. A community of eight neighborhoods is being created with a limited collection of just 88 ready-to-build villas & estates spread across 300 acres.

A beach club & restaurant, nature center, marina, spa & wellness center, plus water sports & hiking / biking trails are just some of the many amenities to be enjoyed.

Virgin Gorda is accessible via boat, private air charter or helicopter from Tortola, where commercial flights land daily. It's a short 2-hour hop from Miami, 3 hours from NYC.

F.P.Journe Timepieces Aboard

We're excited for new partner F.P.Journe to showcase a selection of exquisite timepieces aboard, including the new Octa Sport (right).

The second of its "lineSport" models, it combines haute horology with cutting-edge technology, using aeronautic-grade, scratch-resistant Aluminum alloy to create an astoundingly light watch of just 1.8 ounces.

Traditionally working with platinum, 18k rose gold, & red gold, plus precious stones & jewels for its other collections, this line represents a modern, comfortable & sporty direction for the master watchmaker.

Hunton XRS37 Thrill Rides

Hunton produces superbly luxurious, high performance powerboats with a racing heritage that spans three decades.

Its XRS37 – that whisked guests to My Yacht Monaco 2012 – will be on display at the My Yacht Miami reception, & available for thrilling, high-speed joy rides all week long.

Fine Wines from Cardinale

We welcome Cardinale as a new partner. Located in the heart of Napa Valley's world-renowned Oakville District, each vintage is crafted into a single Cabernet Sauvignon.

A limited-production blend from the region's most recognized mountain appellations, each bottle reveals the artistic sensibility of Winemaker Christopher Carpenter.

An intriguing combination of dark fruits & spices, the 2010 Cardinale is a sophisticated, powerful, & a true expression of Napa.
