Charity Partner: Blue Angels Foundation

We are honored to again help raise funds & awareness for the **The Blue Angels Foundation**, whose all-volunteer Board are former Blue Angels, donating both time & their own money to the cause.

Their mission: to support wounded veteran's initiatives & assist them & their families in the transition back to civilian life.

Just \$5,000, the cost of a 96% successful drug-free protocol to resolve PTSD, can change a veteran's life.

Bermuda Business Development Agency

Fresh from last week's **'legendary'** MYS party, BDA joins us aboard USS Potomac to engage with the Silicon Valley set.

With a physical corporate presence in Bermuda, tech teams can create new intellectual property & keep it in a tax-neutral position for future licensing revenues or sales. Learn more [here](#).

AXR Winery

We're delighted to welcome AXR Winery aboard as a new partner. Named after the AxR rootstock (Aramond x Rupestris), the Napa Valley winery uses modern techniques in the cellar to extract the very best from the region's soils.

Guests aboard in San Francisco will enjoy its unique Sauvignon Blanc, Chardonnay & Cabernet Sauvignon wines.
