Actively involved in the yachting/event planning industry, the half-Hungarian, half-British Monaco resident Nicholas Frankl throws one of the most exclusive charity yacht receptions in the area during the Grand Prix. The founder of My Yacht® Group has always maintained close ties with the F1 industry and his parties are attended by the likes of HSH Prince Albert II of Monaco, Sir Stelios, Steve Wynn, and Nigel Mansell CBE.

My Yacht® Group is a global events company which caters to the needs of a high-end, jet-setter clientele. With the assistance of his twin sister Annabelle, Nicholas Frankl has expanded the company worldwide, in desirable locations such as Austin TX, San Francisco, Cannes, St. Bart’s, Hong Kong, and in June 2017 in Bermuda during the 35th America’s Cup. A portion of proceeds from every event benefits a chosen charity with partners including **Prince Albert II of Monaco Foundation, Operation Healing Forces, Blue Angels Foundation, The White Feather Foundation**, and more.
