

# SPRING HAS SPRUNG

By Sophie Forsyth

As Art Week comes to a close, we reflect on a week of unique experiences for our members. From VIP tickets to the hottest galleries to glamorous parties aboard superyachts, members of *The Reserve* certainly had their schedules full this March. With no rest for the wicked, April's events show no sign of slowing down with photography exhibitions, property investment showcases and equestrian ballets just some of the highlights members can look forward to. Spring has definitely sprung!

## My Yacht Group selects *The Reserve* as its Hong Kong partner

12 March 2015

Art Week in Hong Kong kicked off on 12 March with a party aboard a luxury superyacht. Selected Members of *The Reserve* joined VIPs of Swiss Private Bank, Vontobel, for My Yacht Group's inaugural Hong Kong event. The evening took place at the prestigious Royal Hong Kong Yacht Club in Causeway Bay on a decked out pontoon and aboard the brand new Ferretti 870 yacht.

Not only did the event kick off Hong Kong's renowned art week but it also marked the start of a string of international My Yacht Group events including My Yacht Cannes Film Festival and the 10<sup>th</sup> My Yacht Monaco Grand Prix.
