Bermuda On Board

With Bermuda the proud host of the 35th America's Cup for 5 weeks next May & June in the island's Great Sound, we are delighted to welcome the Bermuda Business Development Agency aboard as a co-presenting partner in Miami.

The BDA is a public-private unit that works closely with companies & HNWI considering the island as an HQ or home base for a business, family office or personal relocation. It eases the process, connecting them to industry pros, regulatory officials, & government contacts in Bermuda's international finance center.

Silver Arrows Marine

New partner Silver Arrows Marine will introduce its unique Arrow460-Granturismo to guests in Miami.

Created in partnership with Mercedes-Benz Style - the non-automotive design arm of Daimler AG - it introduces car-inspired design language, materials & technology to the marine world, in a completely fresh interpretation.

The result of four intense years of R & D, plus real-world testing, the 14.7m luxury motor yacht ditches the conventional compartmentalized layout & uses space & light to spectacular new effect, achieving its true aim: to make a yacht that truly embraces life.

6th Art Basel Reception

As ever, our Miami guests will enjoy a fine selection of foods, wines & spirits:

Perrier-Jouët will pour its Belle Epoque Brut & Rosé champagnes, while the cigar lounge will feature Martell Cognac. Specialty Dark 'n' Stormy cocktails, plus Gosling's Old Preserve Family Rum, will bring a taste of Bermuda to Miami. And representing Texas - home to Vontobel Swiss Wealth Advisors AG USA headquarters - Enchanted Rock Premium Vodka & Rebecca Creek Whiskey. Cheers!
