Cadillac Welcomes Guests to our 6th My Yacht Club - Austin, TX

MyYachtGroup.com

We are proud to announce a significant promotional partnership that welcomes Cadillac as our Official Automotive Partner + Supplier at this weekend's 6th My Yacht Club during the Formula 1 United States Grand Prix™ in Austin, TX.

The weekend sees **Cadillac** showcasing numerous vehicles to guests of MYC in the heart of downtown Austin.

A Crystal White ATS-V & one of only 115 limited edition Glacier Metallic CTS-Vs will be on display outside the Club throughout the weekend, & will welcome guests to an exclusive pre-opening cocktail reception on Friday evening with local & international F1 & automotive enthusiasts, HNW guests, plus Cadillac executives & executive engineers in attendance.

To ensure that MYC VIP guests "arrive in style with Cadillac", exclusive shuttles including Cadillac Escalades, a Cadillac CT6, & a Cadillac XT5 Crossover, all featuring distinctive 'My Yacht Club' decals, will provide luxurious complimentary transportation around town.

In addition, a test drive program throughout the weekend will afford MYC guests the opportunity to get behind the wheel of the CT6, CTS-V, & XT5 Crossover to experience first-hand how Cadillac is pushing the boundaries of design, performance & technology.
