My Yacht's Miami Yacht Hop with Vontobel + St. Bart's Celebration

Our Miami Art Week reception brought guests together aboard not 1 but 3 yachts for an evening 'yacht hop' that welcomed presenting partner [Vontobel](#) for an 8th consecutive year with board executives & VIP guests in attendance.

[M/Y Fae Lon](#) - for sale through Yacht Zoo - provided a perfect setting for the intimate reception. Guests visited with [Jet It](#) to learn more about its \$1600 p/h hybrid fractional jet program; [MGFO](#) entertained *Limitless* clients aboard; & generously donated art works by [Art Gallery 211](#) & [Celebrity Vault LA](#) raised significant funds for the [Blue Angels Foundation](#).

Quayside, guests enjoyed [Rebecca Creek](#) cocktails & [Bespoke Collection](#) wines, & explored the [Palm Beach Motor Yacht PB55](#) luxury cruiser & [Wajer 55](#) tender.

With sincere thanks to our partners & guests for another memorable Miami art week reception, & below a few pics from the evening.

We are excited to return to our favourite island of St. Bart's to host an exclusive end-of-year superyacht celebration. [Contact us](#) for more information on participating in what promises to be an exceptional gathering in a spectacular setting.
