15 Years at the Monaco F1 Grand Prix

On the occasion of the 78th Monaco F1 Grand Prix & celebrating 15 years of My Yacht, we were looking forward to welcoming you.

Sadly, that is not to be.

Instead, we share epic memories with Heads of State, Lords & Ladies, Olympians, Champions, astronauts, philanthropists, musicians, models, & more.

We look forward to reconnecting with you all soon, & aboard our 15th My Yacht Monaco, May 20-23, 2021!

For the first time since 1954, the sound of F1 cars screaming around the twisty streets of the Principality has been silenced. Not surprising given the amount of work it requires, as evidenced by the Automobile Club de Monaco (ACM) build video above.

But, this Sunday, Ferrari's Charles Leclerc gets behind the wheel to film "[Le Grand Rendezvous](#)", a Monaco homage to the Paris original, with director Claude LeLouche behind the camera!

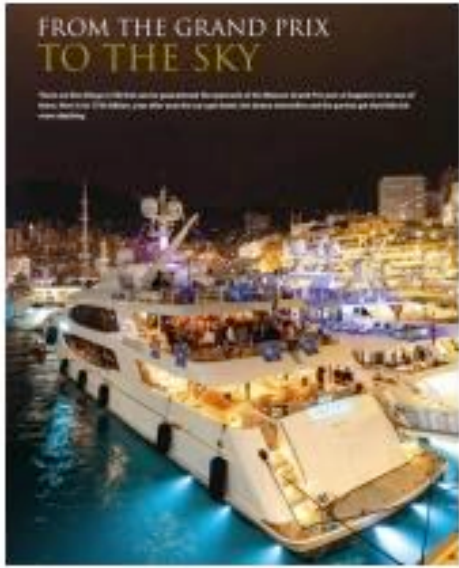

And, racing will return in 2021 with [all 3 Grands Prix](#): Historic, E-Prix, & F1!
Until next year, adieu!

A large, modern superyacht is docked at a harbor. The deck is covered with a vibrant red carpet. In the foreground, there are several white, modular lounge chairs with dark wooden frames. The yacht's white hull and complex superstructure, including a prominent mast and various antennas, are visible against a clear blue sky. The background shows the harbor's edge with some buildings and other boats.

Nicholas Frankl, Founder & CEO of My Yacht Group, talks to Barry Heslin

Anywhere there's a gathering of the 1% of the 1%, Nicholas Frankl is close by. "Superyachts in town?" And Frankl, whose My Yacht Group creates unique luxury hospitality on board private super yachts, has a supreme card checked: guest list, from astronauts to Olympians, and from A-listers to royals.

Get to port, the year ago, at My Yacht Group's legendary Friday night bash during the Monaco Grand Prix weekend, the host of a Monaco private bank was on board, as were Lewis Hamilton, Nigel Mansell and, as every year, His Prince Albert.

The banker approached Frankl, who has between Monaco and LA, and said, "Nicholas, I live in Monaco and I can't get told of these people. I estimate you have at least \$100 billion worth of guests on board and you've only got 100 people."

While Frankl admits he doesn't ask his friends for their bank balances, his My Yacht Group parties bring together an extraordinary series of like-minded synergistic company, like astronaut Felix Baumgartner, John Lennon's son Julian, Pakistan's prime minister Shaukat Aziz, Denise Rich, Steve Wynn, Italy's founder Sir Stelio Haji-Iannou, and many others.
