

Celebrating 10 Years!

F1 returns to Austin for a 10th year & so do we, with our 10th My Yacht Club!
We are the only VIP, pop-up nightlife experience that's been in ATX since F1's #USGP debut.

For our 10th anniversary, we're creating something intimate, exclusive, special.

Mission Accomplished

Aptly-named 61m / 200ft M/Y VOYAGER was a fitting setting for our "Mission Accomplished" dinner in Monaco during the annual yacht show.

The evening celebrated the return to earth of 5-time US Hall of Fame astronaut Commander Michael Lopez-Alegría following his successful command of Ax-1, the first fully-private mission to the International Space Station.

11 Years at Art Basel Miami!

We are excited to return to Miami to host our 11th annual superyacht reception during the renowned art week. The charity evening will be preceded by an exclusive (U)HNW 'Night Before' dinner in famed South Beach. Select partnership categories are available.
