

2 Superyachts, Royalty, Innovation

My Yacht® Group (MYG) returned to the Principality of Monaco to host its 16th My Yacht Monaco aboard two superyachts, plus the official launch of its new luxury digital membership community, **MyYachtClub.io**, in partnership with the Forbes family & renowned chef Thomas Keller, holder of 7 Michelin stars.

AI generated images of Grand Prix racing, yachts & Monaco were displayed aboard with QR code links to the Founding Membership registration.

HSH Prince Albert II of Monaco graciously mixed with a distinguished guestlist that included Royalty, Lords, Ladies, Olympians, global business icons, superyacht owners, & more.

The traditional Friday evening reception, aboard the stunning **M/Y Navis One**, once again supported **Prince Albert II of Monaco Foundation**, the global non-profit organization that is committed to progressing Planetary Health for present & future generations.

Large format bottles of Whispering & Rock Angel from longtime partner **Château d'Esclans**, plus Blanc de blanc Champagne Régi, accompanied incredible food, while live music & entertainment combined to create another unforgettable evening.

Friday, Saturday & Sunday we welcomed an international selection of discerning guests aboard our 43m trackside superyacht, offering unparalleled views of all the racing action, with private tenders to / from the yacht, sumptuous food, premium open bar & DJ. Cheers to another memorable Monaco Grand Prix!
