A Superyacht Race Weekend at the Monaco Grand Prix

■ Formula 1 doesn't get more glamorous than Monaco—and Monaco doesn't get more exclusive than watching the Grand Prix from the deck of a superyacht moored right beside the Quai Kennedy straight. For the 83rd Monaco Grand Prix in 2026, the 19th annual My Yacht® Monaco experience offers exactly that: a privately hosted 45 m yacht in a prime trackside berth, reserved for a carefully curated circle of like-minded guests.

By day, the yacht becomes a floating front-row box, with uninterrupted views of practice, qualifying and race day from three expansive decks and internal lounges. A professional crew serves gourmet cuisine, caviar, fine wines—including Garrus from Château D'Esclan—and Champagne, while tenders sweep guests to and from the yacht, skimming across the harbour in minutes.

By night, the mood shifts from race to reverie, culminating in the famed—and always sold out—My Yacht® Royal Charity Reception, where royalty, Olympians, drivers, Hollywood names and global business leaders gather for an evening of live music, DJ sets and dancing.

Three-day experiences start from €19,995, including all My Yacht® Monaco VIP concierge services. Limited availability. Quote *Robb Report Monaco* for preferential access.
