When the Yacht Show Circus Comes to Town!

The most prestigious yacht gathering of the year just saw $5BN worth of super, mega & gigayachts on display in Monaco, with some 160+ vessels in the harbor & at anchor.

We were privileged to host a series of curated networking lunches & dinners, continuing to develop a deal pipeline for our partners in excess of 500M Euros.

We were proud to welcome new partner **Red Sea Global Residences**, hosting top management, executives, & their VIP guests, over the four days, plus returning partner **Capital Defense Technologies**.

TWW Yachts welcomed guests aboard the stunning 55m Heesen **M/Y AFTER YOU**, fresh from an extensive overhaul & on sale for €32,500,000.

The evening welcomed local & visiting (U)HNW guests including preeminent yacht builders, yacht owners, jet owners, Olympians & F1 drivers. Select images below.

A NEW PARTNERSHIP

Red Sea Global
Residences

We are excited to welcome Red Sea Global Residences, the residential sales arm of Red Sea Global (RSG), a fully integrated real estate developer & operator on Saudi Arabia's western coast, as our new partner.

The business offers Saudi & international buyers a rare opportunity to own part of these destinations across luxury branded & unbranded residences. Together, The Red Sea Residences & **AMAALA Residences** comprise a collection of coastal, island, & wellness-focused communities.

Residents can enjoy elevated living with access to hospitality, leisure, wellness, & lifestyle experiences, including the newly-opened **AMAALA Yacht Club**, that

can accommodate vessels up to 130m / 425ft.

Guided by RSG's regenerative development approach, each community is designed to protect & enhance its natural surroundings while creating long-term value for residents & future generations.

RSG is a PIF company & a cornerstone of Saudi Arabia's ambition to diversify its economy through tourism, real estate, & sustainable development.
